2024 Perpetual Cabernet Sauvignon

NAPA VALLEY

Vineyards

The 2024 Perpetual Cabernet Sauvignon is sourced from several exceptional vineyards throughout Napa Valley, with the majority of the fruit coming from the world-renowned Oakville and Howell Mountain AVAs. Oakville is celebrated for producing some of Napa Valley's most prestigious Cabernet Sauvignons, known for their depth, elegance, and finely structured tannins, while Howell Mountain's high-elevation vineyards contribute intense concentration, rich color, and distinctive mountain character.

Varietal Composition & Elevage

97% Cabernet Sauvignon, 3% Petite Sirah aged in 50% new French Oak for 16 months

Winemaking

The 2024 Perpetual Cabernet Sauvignon is a barrel selection of mostly Cabernet and few select Petite Sirah barrels added for color, mouthfeel and structure. The wine spent an average of 21 days on its skins before pressing.

Tasting Notes

The 2024 Perpetual Napa Valley Cabernet Sauvignon displays a deep purple hue, opening with alluring aromas of blackcurrant, ripe blackberry, cassis, and dark cherry. On the palate, the wine is full-bodied and elegantly textured, with refined tannins framing layers of dark fruit, espresso, graphite, and subtle spice. Nuances of vanilla and tobacco from the well-integrated oak enhance the wine's complexity, while the finish lingers gracefully with notes of dark chocolate, plum, and savory minerality.
