

Lupin Ranch

2025 Pinot Noir

RUSSIAN RIVER VALLEY

Vineyards

Our 2025 Russian River Valley Pinot Noir comes from two vineyards located within the Green Valley Sub appellation of the Russian River Valley. Green Valley sits in the southwestern portion of the Russian River Valley, relatively close to the Pacific, where heavy morning fog and maritime influence create a cool climate and extend the growing season. The region is dominated by Goldridge sandy loam, a fine-grained, well-draining soil that naturally limits vine vigor.

Varietal Composition & Elevage

100% Pinot Noir aged in 30% new French Oak for 14 months

Winemaking

The hand picked fruit was de-stemmed and moved to a stainless open top tank for fermentation. After a 4 day cold soak in the open top, we inoculated it and allowed the fermentation reach 84 degrees for careful extraction. The tank was pumped over/ punched down 3 times a day then two times later during the fermentation. The wine was on its skins for 17 days before being pressed at dryness.

Tasting Notes

Our 2025 Russian River Pinot Noir offers an alluring bouquet of wild strawberry, red cherry, rose petal, and subtle forest floor. Silky and beautifully poised on the palate, vibrant red fruit and cranberry unfold with lively acidity and refined, fine-grained tannins. Aged in 30% new French oak, the wine carries subtle notes of cedar, vanilla, and warm spice that seamlessly complement its cool-climate character, culminating in a long, graceful finish.

Technical Data

pH: 3.64 Alc: 13.9%
